

Leadership team is organizing a food drive to help people with food insecurity in our community. In 2015 over twenty thousand people were served, almost one third of those people were children. The food bank relies on donations of money and food to operate all year round, it receives no money from the government.

The Christmas season is the busiest time of the year for the Colchester Food Bank. We are going to start collecting food in November and it will continue until December.

All food must be non-perishable meaning no fruits, breads, or meat products.

(Pull out each of the products in the basket and ask class if it is perishable or non-perishable)

There will be prizes for the classes that collect the most food. The leadership team will be counting the items to determine the top classes.

Let's help Colchester County residents this holiday season by following the food bank's motto: Hope Not Hunger, Neighbours Helping Neighbours.
